

## LANA DEL REY UNVEILS HONEYMOON: A DREAMY AND CINEMATIC NEW ALBUM

Los Angeles, September 18, 2015 / FOR IMMEDIATE RELEASE –

Honeymoon is the latest album from Lana Del Rey, capturing a dreamy and cinematic essence that transports listeners into her world of melancholy romance. Infused with haunting orchestral arrangements, hypnotic jazz influences, and Lana's signature poetic lyricism, Honeymoon is a lush sonic experience.

Released on September 18, the album features tracks like *High by the Beach* and *Music to Watch Boys To*, blending noir aesthetics with modern storytelling. Honeymoon is available **now** on all major streaming platforms, including Spotify, Apple Music, and Amazon Music.
